

Patient Rights & Responsibilities

- Patients have the right to be treated with personal dignity and respect.
- Patients have the right to care that is considerate and respects member's personal values and belief system.
- Patients have the right to personal privacy and confidentiality of information.
- Patients have the right to receive information about managed care company's services, practitioners, clinical guidelines, and patient rights and responsibilities.
- Patients have the right to reasonable access to care, regardless of race, religion, gender, sexual orientation, ethnicity, age, or disability.
- Patients have the right to participate in an informed way in the decision making process regarding their treatment planning.
- Patients have the right to discuss with their providers the medically necessary treatment options for their condition regardless of cost or benefit coverage.
- Patients have the right of members' families to participate in treatment planning as well as the right of members over 12 years old to participate in such planning.
- Patients have the right to individualized treatment, including
 - Adequate and humane services regardless of the source(s) of financial support,
 - Provision of services within the least restrictive environment possible,
 - An individualized treatment or program plan,
 - Periodic review of the treatment or program plan, and
 - An adequate number of competent, qualified, and experienced professional clinical staff to supervise and carry out the treatment or program plan.
- Patients have the right to participate in the consideration of ethical issues that arise in the provision of care and services, including
 - Resolving conflict,
 - Withholding resuscitative services,
 - Forgoing or withdrawing life-sustaining treatment, and
 - Participating in investigational studies or clinical trials.
- Patients have the right to designate a surrogate decision-maker if the member is incapable of understanding a proposed treatment or procedure or is unable to communicate his or her wishes regarding care.
- Patients and their families have the right to be informed of their rights in a language they understand.
- Patients have the right to voice complaints or appeals about managed care company or the care provider.
- Patients have the right to make recommendations regarding managed care company rights and responsibilities policies.
- Patients have the right to be informed of rules and regulations concerning patients' conduct.
- Patients have the responsibility to give their provider and managed care company information needed in order to receive care.
- Patients have the responsibility to follow their agreed upon treatment plan and instructions for care.
- Patients have the responsibility to participate, to the degree possible, in understanding their behavioral health problems and developing with the provider mutually agreed upon treatment goals.
